EDUCATORS GUIDE TO THE NOVA EXHIBITION

ABOUT

The Nova Exhibition is an in-depth remembrance of the brutal massacre at The Nova Music Festival on October 7th, 2023. The installation sets out to recreate a festival dedicated to peace and love that was savagely cut short by a terrorist attack on that fateful day. The attack at The Nova Music Festival was the largest massacre in music history.

ITINERARY

We are flexible and will work with individual schools to program. We recommend allotting about an hour to an hour and a half for the walk through. After, we can provide the students a space in the exhibition to debrief, to hear from a survivor, both, or neither. Students will be able to bring lunches and eat them during the debrief portion of the field trip.
